Thanks a million for being my faithful, beloved partner and for all your love, prayers, support and sacrifice for the lost in Sri Lanka. Together we are moving ahead with all that our glorious Lord and Master called us to do, fulfilling the great commission together.

The Sunday morning Service at Ratmalana is blessed by our precious Lord each week, with miracles. To God be all the glory, honour and praise for all He is doing in our midst. God's presence continues to touch all who come. Each week, lives are touched by our precious Lord Jesus through the worship, the Word of God and personal ministry. Our worship Pastor Rodney Eardly, thanked the Lord for God's faithfulness and for delivering his son, Nathan from bad friends and changing him to be a person of prayer. He is also leading worship in a youth group of another Church and plays the guitar for the worship team. Sister Dulsi thanked the Lord for bringing her here to worship, through sister Anula as she was not going to Church for nearly a year. She thanked the Lord for her deliverance when Pastor prayed for her, and now she can worship and pray each day. She said when she came here for the first time last Sunday she had no place for her to stay as the daughter fought with her and asked her to leave the home. After prayer she felt to visit a friend who is a Christian and she wanted someone to help her in her work and the Lord provided a place in her friend's home to stay and help in the house work and business. She praised God, both their needs were met. Her friend too is not going to Church and she hopes to bring her to Pastor for prayer. Words of encouragement, prophecy and wisdom are given by our precious Lord to almost all who come. My sister Christine and Mom thanked the Lord for the word they receive each Sunday and the personal ministry. They thank the Lord that He has blessed their prayer time and God guides them amazingly each day through the Word of God and during their prayer.

The Sunday evening miracle service at Prathibimbarama road, is also blessed by our wonderful Lord each week with signs, wonders and miracles. Many testify that our precious Lord touches their lives by the worship, the word preached and personal ministry. A Buddhist man who was having unbearable body pain and couldn't even stand, was called out by the Holy Spirit that a person who was charmed was being delivered. Immediately, the pain left and during the altar call came forward and accepted Jesus Christ as his Saviour. His wife was dancing and crying for joy of the deliverance of her husband. Anula thanked the Lord for her small catering business has enabled her to lease a car. She thanked the Lord for delivering her from her liquor business and said with tears that she could not afford to lease a car through it, although it brought her more income than the catering business. She said the business the Lord Jesus gave her was better than the devils business. Another Buddhist man was delivered from depression and gave his heart to the Lord. He was an artist and was in debt. He came in just after the service was over and sat down in front of us and asked for a paper and pencil and said that if your God is real prove it. He drew a perfect sketch of Samidu while we asked the Lord to prove to him that He is real. God showed us that he was going to commit suicide and was in debt and depressed. God also revealed a personal problem he had and gave him the answer. We then told him and as we prayed for him

he began to weep. He was delivered and accepted Jesus as his Saviour. To God alone be all glory and praise.

We are doing our best to take care of the poor although all needs are not met. We are able to sacrifice all Sunday offerings for the poor. Many of these families have no husband or the husband is in jail or drug centre. Those who have husbands we help them half way and help them find labourer or suitable jobs. God has been faithful in helping many with jobs. Please pray that our wonderful Lord will bless us with more finances so we will be able to help all the poor that come. Words are not enough to thank you for standing with me with all your love, prayer and support.

The personal prayer and counseling sessions continues to touch lives, believers and unbelievers alike. Almost each day we see lives touched, with salvation, healing & deliverance. Many receive guidance and counsel from the Lord. Many come with family problems and we are able to lead them to the Lord and pray and teach them to pray. Many join a Church in the area they come from as we recommend the Church.

The phone ministry also brings salvation deliverance and healing to many. Many receive guidance and words of encouragement from the Lord.

The home visiting ministry touches many lives for Jesus as we visit homes of those who come for the services and also a home once a month, where we pray for miracles, needs and breakthroughs. Here in Sri Lanka, visiting a home is considered an honour for the people we visit. The poor consider it such a privilege and their faces light up. It is here that we hear more of their testimonies and see their needs.

The all-night prayer meetings are changed to only two for a month and we began a Friday morning fasting & prayer, each Friday on popular request, as many who have unbelieving husbands or wives cannot attend.

Please pray, for the ministry needs of two overhead projectors, more chairs, musical instruments, microphones, to help the poor, the building fund and crusade fund.

May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost!

With our love for you and the lost!
