Thanks a million for being my precious and faithful partner and for all your love, prayers, support and sacrifice for the lost in Sri Lanka. God is truly with us the great 'Emmanuel'. Together partner we are moving ahead with all that our glorious Lord and Master called us to do, fulfilling the great commission together.

**The Sunday morning Service** at Ratmalana continues to receive the blessings of our precious Lord each week with miracles and signs and grateful hearts continue to testify of the greatness, love and goodness of our glorious Saviour & Lord to Whom all glory, honour and praise belongs. Lives are touched by our precious Lord through the worship, message and personal prayer time each week. We praise God for brothers Shiran & Danny from Brisbane Australia, ministered one Sunday and many were healed and delivered. God used them in the gifts of word of knowledge, discerning of spirits and prophecy. Four people gave their hearts to the Lord during the month of November during the Sunday services. Many testified of the confirmations from the Lord they received through these brothers and Pastor and also healing of diabetes, headaches, womb problems, stomach problems & fever were some of them. Chrishanthi thanked the Lord for the guidance from word and the word of wisdom she receives through God's servant. Our worship Pastor thanked the Lord that he came to a higher level spiritually after Brother Danny ministered to him. Sister Shirani said that she received a new anointing after brother Shiran prayed for her. God's presence came so powerfully during this month and many were touched and weeping. One Sunday I too received a vision of what the Lord wants to do in the coming months ahead and I was overcome and weeping too as the Lord asked me not to say anything but pray for these to be fulfilled. Many were touched and felt our precious Lord do something new in their lives. This is also evident in the way they worship and testify. November was truly a glorious month for the ministry in Ratmalana.

**The Sunday evening miracle service** at Prathibimbarama road continues to receive blessings from our precious Lord with miracles too. God's love continues to reach out to the sinner each week, with salvation, healing and deliverance and the poor is also taken care with the offerings each week. The miracle service on Wednesdays in one of the believer's home continues to touch lives for Jesus as Brother Samidu ministers. Salvation and healing continues as Pastors from other Churches, ministered during November.

**The personal prayer and counseling sessions** continues to touch lives, believers and unbelievers alike. Almost each day we see lives touched, with salvation, healing & deliverance. Many also receive guidance and counsel from the Lord. Many from other Churches come for personal ministry and receive counsel and prayer and receive miracles. Sister Chrishanthi thanked the Lord for her deliverance and also her mother as she couldn't pray after her Buddhist mother got demon possessed and hurled insults at her for the whole day non-stop. She praised God that after prayer, she was able to pray and also found her mother was delivered and back to normal and couldn't even remember the incident when she went back home.

**The phone ministry** also brings salvation deliverance and healing to many. Many receive guidance and words of encouragement from the Lord. A beloved Christian mother from Kandy having cancer was healed and is back to normal as she received prayer on the phone. Chrishanthi also thanked the Lord that her Buddhist brother was angry with her and in the evening fixed a noisy machine near her window in the evening and normally they work through till the morning. She thanked the Lord that after she received prayer on the phone the brother amazingly stopped work early and she had a good nights rest. She thanked God for Pastor who is always ready to pray for them.

**The home visiting ministry** touches many lives for Jesus as we visit homes of those who come for the services and also a home once a month, where we pray for miracles, needs and breakthroughs. Here in Sri Lanka, visiting a home is considered an honour for the people we visit. The poor consider it such a privilege and their faces light up. It is here that we hear more of their testimonies and see their needs. Once a month we also minister in a Christian home and the Lord directs us to pray against all evil plans for their family and members who are even abroad. It's wonderful how the Lord reveals all the enemies plans for the month and they have the victory.

**The Friday fasting prayer meetings** are now held in the morning and our wonderful Lord is doing great things and His presence is getting more powerful each week as we meet. Many are refreshed and thank the Lord for not only the new comers but all are learning the practical aspects of prayer. The family members are also touched and delivered as we pray for them. The glorious Holy Spirit reveals things to come and we pray for them. Brothers Shiran and Danny were present for two Fridays and God used them powerfully to give words from the Lord for the ministry and all who were present. We were all blessed as Brother Danny prophetically blew the ram's horn and declared victory for the ministry and a call to seek the Lord in united prayer. We prayed for him as he had to leave on the 10<sup>th</sup> of December back home to his family in Australia. He said that Sri Lanka is his second home.

Please continue to pray for these meetings. May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost! Love you with all my heart.

With our love for you and the lost!
