Beloved and faithful partner thanks a million for all your love, prayers, support and sacrifice for the lost in Sri Lanka. God is truly doing great things among us. Together we are obeying the Lord bringing Salvation, Healing & Deliverance to Sri Lanka.

The Sunday morning Service at Ratmalana continues to receive the blessings of our precious Lord and Master each week with miracles, signs and wonders. Many with grateful hearts are thankful to our glorious Lord for His goodness, love and mercy. The presence of God is falling and we experiencing His love and goodness in each service from the worship till the end. Our wonderful Lord touches each life that comes through the worship, preaching of His word and during the personal prayer time. We had our New Years service on the first and everyone came to celebrate the beginning of the year in the house of God. Many were given promises and words of encouragement and the prophetic word for 2007. Sisters Chrisantha and Jean were backslidden Christians and were touched and came up and rededicated their lives to the Lord. They received words of guidance, prophecy and promises from the Lord. They were in tears as they received these words. They were healed and said that the words from God were true. They said that things are changing and blessings are coming into their lives. Now they can pray and also love the Lord with all their heart. They said that this will be their Church and they will be faithful. Jean requested prayer for her husband who needs deliverance and we prayed for him. Mishu is 20 years and joined the worship team this month and plays the keyboards for Sunday services also. Gilane, my daughter led worship on the third Sunday for the first time. The presence of God was felt from the very first song and the many tears rolled down their faces as we worshipped Him. God is truly visiting us and we need to recognize that He is about to do something great in our midst. Sister Dulsi thanks the Lord for the personal prayer time that has delivered her son from drugs and alcohol and is now going to work although he didn't come to Church. God is also solving her problems. Sister Chrisanthi said that she came today to receive a word from God through Pastor regarding her land and her family and she thanked the Lord for the answer the Lord gave through the Pastor. Pastor Rodney thanked the Lord for his healing and provision. Brother Shahan thanked the Lord for healing him from stress and a spine pain during the personal prayer time. The word preached gives him strength to overcome persecution from his parents. Sister Shirani also thanked the Lord for His word of encouragement today that she needed. Many received healing during the month of January, stomach problems, headaches, skin problems, womb problems, catarrh, high blood pressure, a spine problem, a urine infection and stress were some of them. January was truly a good month and we receive more from our glorious Lord.

The personal prayer and counseling sessions continues to touch lives, believers and unbelievers alike. Almost each day we see lives touched, with salvation, healing & deliverance. Many also receive guidance and counsel from the Lord. Many from other Churches come for personal ministry and receive counsel and prayer and receive miracles. Every Sunday afternoon too we have a counseling session which our wonderful Lord strengthens and guides them, shows us visions and prophetic words are also given. Many are so thankful for these personal counseling sessions that give them strength, encouragement and their prayer lives are strengthened so that they can face the challenges with boldness and courage.

The phone ministry also brings salvation deliverance and healing to many Christian and non-Christian alike daily. Many thank the Lord for the courage, healing and deliverance they receive. Even some receive a word from God and are healed, delivered or encouraged. Some even give their hearts to the Lord and those living far away are encouraged to go to Churches in their area. A few have joined us as a result of the phone ministry.

The home visiting ministry touches many lives for Jesus as we visit homes of those who come for the services and their friends, where we pray for miracles, needs and breakthroughs. Once a month we also minister in a Christian home and the Lord directs us to pray against all evil plans for their family and members who are even abroad. It's wonderful how the Lord reveals all the enemies plans for the month and they have the victory. We also were able to visit sister Dulsi's son and pray for him in his room. The power of God touched him as we prayed and he began to weep. God showed him his call and also the curses that were effecting him, and he repented and came back to the Lord. He was in drugs and alcohol and was delivered when his mother came up for prayer for loved ones. He was so thankful for our visit for no one visited him for many years. He was happy his mother came to this new

Church and for God's love. We also visited Mrs. Jayasekera a Buddhist elderly lady a friend of a believer who invited us. She was under charms and curses and also the people who rented her two shops were not paying the rent and got thugs to threaten her and her son. They were in a terrible state when Shyama and I went to pray for her. Her son was so oppressed that he sleeps often throughout the whole day. After we worshipped the Lord showed us what to do and we broke every charm. We asked her to repent for these sins and she did. She also told us that a few years ago Jesus appeared to her after her husband was murdered and she asked if she can become a Christian and we were delighted to say yes. She prayed the prayer of salvation and her face lit up with joy. After we left, that night the people who had charmed her fought against each other and they left the place the next day. Her son doesn't sleep the whole day anymore and the oppression also has left him although he was asleep during our visit.

The Friday fasting prayer meetings is held in the morning and few attend but our wonderful Lord is doing great things and His presence is getting more powerful each week as we meet. Many are refreshed and thank the Lord for not only the new comers but all are learning the practical aspects of prayer. Everyone testifies that these prayers are answered, some even the same week. Family members are also saved, healed and delivered.

To God be all the glory praise and honour for doing these great things in our midst. He truly is the GREAT SHEPHERD, a GOOD GOD, full of love, mercy, compassion and mighty to save.

Please continue to pray for these meetings and do your best again in your love support and sacrifice. May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost!

Love you with all my heart.

With our love for you and the lost!
