My precious and faithful partner thanks a million for all your love, prayers, support and sacrifice for the lost in Sri Lanka. God is truly doing great things among us. Together we are moving ahead with all that our glorious Lord and Master called us to do, fulfilling the great commission together.

**The Sunday morning Service** at Ratmalana continues to receive the blessings of our precious Lord each week with miracles and signs and grateful hearts continue to testify of the greatness, love and goodness of our glorious Saviour & Lord Jesus. To Him be all glory, honour and praise. Our precious Lord touches lives through the worship, message and personal prayer time each week. Many are thankful for the combined services in English and Sinhala each week as many are able to worship in the language they like and speak most. Sister Shirani does a good job of interpreting the message I share in English into Sinhala. Pastor Rodney and the worship team are doing a great job introducing new songs in English and Sinhala and many thank the Lord for they are able to learn and sing new songs in their prayer time. The presence of God and the Anointing on the services are getting better each week. Many testify of receiving a touch from God and healing during the worship too. Some felt a warmth, coldness, or a sensation and were healed. Many are thankful for the word of God preached which helps them practically in their daily lives. Every week the Holy Spirit gives us prophetic words and words of encouragement and many are healed through the gifts of the Holy Spirit. Some of the diseases were healed were migraine headaches, skin rashes, a heart condition, blood pressure etc. Brother Mahinda Muthukudaarachchi's wife Champika was healed of chikungunya sickness at home as he came forward for healing for loved ones. This plague has taken thousands of lives mainly the elderly and comes only from a mosquito. He testified with tears that when he went home he was amazed to see his wife was totally healed of the plague and normal. When he left home to come for the Sunday service she could not even move with high fever and in severe pain. The Christmas service was beyond our expectations and the poor adults and children received gifts even those who came for the first time. Your generous love, sacrifice and support helped the poor with gifts and the greatest gift of all Jesus as their Saviour. Tears came to our eyes to see the poor come readily to accept the greatest Christmas gift – Jesus into their hearts. God blessed us and met our needs although we sacrificed much for the poor this Christmas more than previously.

**The Ministry at Prathibimbarama road, Dehiwala** was handed over to brother Frank and brother Samidu at their request to continue with the ministry in the way they wished in the first week of December. After much heart searching and prayer the Lord directed me to give them their request. He gave me this scripture, *"If anyone wants to..... take away your tunic, let him have your cloak also..."* Matthew 5: 40. I blessed them and pray that they will continue in the Glory and presence of God bringing salvation, healing and deliverance and may the glorious work begun by our precious Lord Jesus.

**The personal prayer and counseling sessions** continues to touch lives, believers and unbelievers alike. Almost each day we see lives touched, with salvation, healing & deliverance. Many also receive guidance and counsel from the Lord. Many from other Churches come for personal ministry and receive counsel and prayer and receive miracles. A Hindu Marketing Manager who had been sick with chikungunya and not been to work for two weeks and had family problems, came for personal prayer. He came in with much pain all over his body. He was an alcoholic but specially did not take alcohol on that day as his born again Cousin and Neice who brought him, had advised him to do so when he goes for prayer. He poured his heart out to us and after prayer was delivered and healed. He even took my hand and placed it on the places that he had pain and was totally healed. We broke curses and charms on him. Although he wasn't ready to accept the Lord yet, he repented of all the sins of his generations. He went to work the next day normal and with no sickness. Another notable miracle was a backslidden Christian wife whose Buddhist husband was bedridden and had been for many operations. He had a skin disorder where the skin dissolves on his thigh. The family had spent their wealth and also was millions of Sri Lanka Rupees in debt. She was depressed and asked us to pray that God even takes him away. We worshipped and the Lord spoke to her and told her that He will solve this problem for her for good. She was totally surprised when he recovered after two weeks and is now going to work. The doctors too are surprised. The wife too is now going back to her Church as per our advice and is rejoicing in the miracle.

**The phone ministry** also brings salvation deliverance and healing to many Christian and non-Christian alike. Many thank the Lord for the courage, healing and deliverance they receive. Even some receive a word from God and are healed, delivered or encouraged. Some even give their hearts to the Lord and those living far away are encouraged to go to Churches in their area. A few have joined us as a result of the phone ministry.

**The home visiting ministry** touches many lives for Jesus as we visit homes of those who come for the services and also a home once a month, where we pray for miracles, needs and breakthroughs. Once a month we also minister in a Christian home and the Lord directs us to pray against all evil plans for their family and members who are even abroad. It's wonderful how the Lord reveals all the enemies plans for the month and they have the victory.

**The Friday fasting prayer meetings** is held in the morning and few attend but our wonderful Lord is doing great things and His presence is getting more powerful each week as we meet. Many are refreshed and thank the Lord for not only the new comers but all are learning the practical aspects of prayer. Everyone testifies that these prayers are answered, some even the same week. Family members are also saved, healed and delivered. Rohan a Methodist young man was backslidden and depressed when he came for the fasting and prayer. He is a boarder in a neighbour's house down our lane. He testified that he only came for one fasting and prayer and God met his desire and gave him a job the very same day, delivered him, healed him and brought him back to God.

To God be all the glory praise and honour for doing these great things in our lives. He truly is a GOOD GOD, full of love, mercy, compassion and mighty to save.

Please continue to pray for these meetings and do your best again in your love support and sacrifice. May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost! Love you with all my heart.

With our love for you and the lost!
