May our wonderful Loving Father, multiply and bless you and the family in abundance. Thanks once again for being my precious partner and for all your love, prayers, support and sacrifice for the lost in Sri Lanka. Together we are moving ahead with all that our glorious Lord and Master has for us, fulfilling the great commission together.

The Sunday morning Service at Ratmalana is growing and God's presence continues to touch all who come. A brother said, "I thank the Lord for bringing me in contact with Pastor Errol, and this Church through a friend of mine. I was attending a big Church, but I didn't have what we receive here! Pastor takes personal interest in us and we are healed and touched by God every time we come. I am able to understand the Bible very clearly and able to apply it in my daily life. We go back blessed, encouraged and full of God each time we come to Church. Though it is a small Church it is more powerful than the big brand names. My business and all areas are prospering, and I am having a great prayer life and enjoy it every day. I am also able to stand strong during persecution, even from my own family members".

Another brother testified later that during the worship when we sang the song, "*create in me a clean heart*", God touched him and that was the song he wanted to sing at that very moment. My mother and sister also now attend the Sunday services.

The Sunday evening miracle service at Prathibimbarama Road, continues to be blessed by our wonderful Lord with signs, wonders and miracles. Rajiv, our organist thanked the Lord, the Pastor and Church for praying for him during the Sunday service a few months ago. He worked in a Christian Recording studio, and the two brothers who were above him, lied to the Pastor in charge of the studio about him and he lost his job. He said, "It was at this time that you all prayed for me. Last week the brothers who lied, left the studio and the Pastor in charge of this studio asked me to come and be in charge of the studio. I am receiving a better salary now and enjoying the promotion God gave me." Many adults and children alike are healed and delivered, during the services. Last month we had healing of diabetes, urine problems, fever, an incurable skin disease, a leg problem healed, and three delivered from alcohol. A Christian family who were on their way to commit suicide came to the service and were delivered, as the Lord spoke to them and gave them the answer to their problem, guidance and also baptized the parents in the Holy Spirit. The Lord spoke to us to give them the Sunday offering and they wept receiving it. When we visited them they said that they had no food for a week and that it was enough for a whole week. To God be all the glory, honour and praise for all He is doing in our midst. A few got jobs.

Please pray, for the ministry needs two overhead projectors, more chairs, musical instruments and microphones. We were able to help a few poor of the poor families with the Sunday offerings. There are a few more who desperately need help for food and children's schooling. Please pray that our precious Lord will bless us so we can reach out to all of them.

The leaders meeting began on the 28th of June, every Wednesday, where we train and raise up leadership. The Lord began dealing with me regarding this from the middle of June. We had seven for the first meeting. We desire to introduce the international school of ministry which is done on VCD and in English and a language of our choice simultaneously. It covers everything from a beginner to ministry level, and has many Anointed International teachers and servants of God. We have a DVD player and a TV which is the basic requirement. We hope to begin as soon as we are able to purchase the VCD's and books. Please pray.

The personal prayer and counseling sessions continues to touch lives, believers and unbelievers alike each day as they come for personal prayer and counsel. Many receive healing from various diseases. Last month we had incredible miracles of salvations and deliverances, where every unbeliever who came accepted our precious Lord Jesus as their saviour. All were delivered and set free from bondages and curses and charms. Many receive words from the Lord and touched by His love and power. It is so wonderful to see people go back touched and changed for the glory of God. Some come with family problems and receive guidance and words from the Lord. They go back strengthened by the Lord. Everyone gladly testifies of this. A catholic brother who gave his heart to the Lord, who had lost his business and job, got a new job as a driver to a CEO of a large corporation. He gave his testimony to his catholic boss and the boss told to pray for him too. I encouraged him to pray mainly for his salvation and his family and all areas.

The phone ministry also brought deliverance and healing to many. Here again many accepted the Lord as their saviour on the phone. Praise the wonderful name of the Lord. Some receive guidance and words of encouragement from the Lord. Even Christians facing major problems also from other Churches call and receive prayer, counsel and guidance. A Pastor friend of mine was warded at the Asiri private hospital for a cist operation and was healed through prayer on the phone and before the operation, the doctor's could not find the cist. He was discharged the next day, Glory to our wonderful Lord.

The home visiting ministry was truly blessed by our precious Lord again.

1. We visited a Sri Lankan who lived in Australia, and had come back after a marriage separation and was badly depressed. His business partner was also depressed and they were staying together in her home. After a time of worship and prayer the Lord touched and delivered them, and they asked Jesus to come into their hearts. The Lord revealed Generation and sins on the land and they repented and they were delivered from curses and bondages. They learnt also how to pray, read their Bible and worship the Lord each day. When we left they were full of smiles and hugs, thanking us and the Lord for their deliverance. His business partner joyfully said, "I can't believe the change and the difference we feel after prayer". They testified later of the deliverance and the joy and miracles they were experiencing in answer to their prayers. God also opened a door for them to a 3 week business visit to Dubai. Praise the name of the Lord.

2. We also visit a home each month and pray through all that the Lord shows us, and reveals. They always look forward to this as we do, and able to pray through victory. We also pray for their family members abroad, and all that the Lord reveals for them too. Many of these situations come up and they are able to have victory due to the prayers.

A weekly Bible study is held at Rohan's Father's home each Thursday. He attends the Anglican Church and some of the family and relatives attend. They are really touched and blessed by the Bible study, they say and look forward to this.

The all-night prayer meetings are truly blessed as we move into new homes. Rohan's relatives are all touched during these prayer meetings. Many are healed and touched and say they are truly blessed. Many from different Churches attend.

A monthly outreach meeting at Rohan's brother, Rajeev's home. He too attends the Anglican Church, and he and his family was touched and even the business is prospering and he is about to move into a new business. We give God all the glory, honour and praise for all He is doing through us, among us and for us.

The love for the lost is increasing in my heart and the prayers are intensified by the precious Holy Spirit. The Lord is opening my heart to the cry of the heart of the lost. I can sense their heart's cry for deliverance and freedom from demon possession, bondages and sicknesses. "Is there a God who can deliver and save us, heal us and free us? We can't bear this any longer. We are in pain, misery, and lost. Is there a way out of this? Is there any truth? Is there a true God, who can hear and answer? We have been to so many gods, but none can hear or deliver. It is better to die than to live." Beloved Partner, let us stand in the gap and pray for those who are lost in bondage and sin. Yes there is a God who can, and so Lord reveal Yourself and deliver the lost. Yes Lord, heal and deliver and save them loving Father in Jesus name.

Please also pray for the extra finances the ministry needs urgently. We are so grateful to our wonderful Lord and to you as my partner. Together we are accomplishing all for God's glory. Thanks so much for all your love, prayers and support. You have truly touched our wonderful Lord's heart by your love and support.

May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost!

With our love for you and the lost!

Errol Eardly | YOUR PARTNER IN THE HARVEST FIELDS!
