May our wonderful Lord richly bless you and the family. Thanks once again my precious partner for your love, prayers, support and sacrifice for the lost in Sri Lanka. Together we are moving ahead with all that our glorious Lord and Master has for us. We truly together are in the will of our Master.

The Sunday morning Service at Ratmalana is growing and God continues to pour out His blessings on all who come. One brother testified of a big increment he received from his company. He just attended one Sunday service. Our worship Pastor Rodney, my brother testified of a decision he had to make and God's guidance in a dream. The Church he left asked him to come back for a good salary, and he had to say no to obey our wonderful Lord. He testified that until he had to make the right decision, he couldn't concentrate on his work of repairing TV and radio equipment. Another brother testified that after he came in contact with us and for the services, God has blessed him spiritually and also financially. He too had to make a decision to say no to a wrong job, which he would have to disobey God and offered him very much better benefits. He said that God has given him much strength to overcome persecution from his Catholic family at home. He thanked our precious Lord for the joy and the peace that came as a result. God also used my brother Rodney in the gifts and revealed that a brother had to make an important decision and encouraged him to obey the Lord before this brother testified. Many are healed and strengthened by the worship and message and individual prayer given to all who come and the gifts of the Spirit.

The Sunday evening miracle service at Prathibimbarama Road, also continues to be blessed by our wonderful Lord with signs, wonders and miracles. We cannot get an accurate count as many outside and opposite the Road stand and hear the good news and raise hands for salvation, but do not sign decision cards. We had a little more than 20 this month. Children and adults alike receive healing and deliverance. Around eight alcoholics and another on drugs were set free. God also uses our worship leader Samidu in the gifts and some are healed through the gifts and also during personal ministry. Some were skin rashes, urine problems, diabetes, piles, womb problems, body pain and from bad habits. To God be all the glory, honour and praise for all He is doing in our midst. Thanks for your prayers and faithful support the construction work has begun and the enemy who tried to stop us was defeated.

The ministry also purchased a new laser printer and a scanner which was much needed for the work of the Lord. Thanks to the Lord and for your love and faithful support. Words are not sufficient to thank you and our wonderful Lord for all that's happening.

The personal prayer and counseling sessions are also touching lives, believers and unbelievers alike each day as they come for personal prayer and counsel. Many are healed, saved and delivered. A few come depressed, down hearted, and with problems in families and marriages, sickness etc. Our wonderful Lord touches each one of them and they go back strengthened, delivered, healed and needs prayed for and receive visions and words of encouragement from the love and power of our glorious Lord. Many come with such confidential problems that cannot be

shared to everyone. We are so blessed to protect these precious lives, by keeping these in confidence. Many turn and thank us so much for this ministry that even after years their problems are kept in confidence and no one knows them. We humbly thank our precious Lord for anointing us to do His precious ministry.

The phone ministry is also such a blessing to all who call, from Sri Lanka and also abroad. Many are healed, saved and delivered and words of encouragement are given by our wonderful Master and Saviour. Counsel and Godly wisdom is also given.

The home visiting ministry is also continuing to touch and bless lives by our precious Lord. Also relatives abroad are touched and receive miracles. Charms and demonic powers are also broken. On the first of May, we were privileged to pray for a Hindu mother of one of our spiritual children. Although Hindu, when sickness comes into her, or her children or grandchild she would always call and request first pray before thinking of going to hospital. Our wonderful Lord would heal them on many occasions and they didn't need to go to hospital, only on very few occasions. She was having a heavy chest and finding it difficult to breathe or move. After a time of worship, the presence of our glorious Lord filled the home. When we began to minister to her, our wonderful Holy Spirit, told me that a demon (and also revealed his name) was pressing her chest and trying to kill her. I asked her whether I can cast it out and she yes of course. There were tears in her eyes, and the Holy Spirit told that Jesus, our wonderful saviour is standing right in front of her, and He told me to ask her if she will repent and accept Him as her Lord and saviour. She stood and with tears said yes, I will. She prayed the sinner's prayer and gave her heart to Jesus and accepted Him into her heart. Denon, her little grandson who is just around four years said he saw Jesus standing in front of Grandmom and He was wearing white and gold. Oh! What a wonderful Lord we serve. She later told me, "Pastor that demon was the god I worshipped for years and for all I did for him he was trying to kill me." Jesus healed me and I will serve Him. Her two sons and their wives had no words to thank the Lord for answering their prayers for many years. I told them that this was the reason why the Lord came to honour your prayer for the salvation of your Mom. To God be all the glory, honour and praise for His ways are perfect and unsearchable. We also were blessed to dedicate a new house of a Baptist Pastor, and the Lord revealed all the curses and charms and they repented and broke them and we dedicated it to our gracious Lord.

The burden for the lost is so glorious, and is always there, no matter what I do. The Lord is causing me also to pray much for the young (not only in Sri Lanka but in the whole world) and their deliverance from abuse and demonic oppression and evil, in tongues for long periods each time. The joy that comes after these praying is unspeakable. The Lord is going to use these young people to bring revival to their generation very soon. Let's pray and do everything we can for the lost. Please also pray for our monthly miracle service on the 11th of June. We are again expecting great things from our glorious Lord Jesus. May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost!

With our love for you and the lost!
