Thank you once again my precious partner for your love, prayers, support and sacrifice for the lost in Sri Lanka. May our wonderful Lord richly bless you and your family.

The Sunday morning attendance has now grown to 17. Many testify of God's blessings and provision in business and work. Some have testified of a better prayer life and thank the Lord for the good worship and the word of God which touches and speaks to their hearts, giving them solutions for their problems. Individual prayer and words from the Lord are also given to those who come up for prayer.

The Sunday evening miracle service at Prathibimbarama Road, is also being blessed by our wonderful Lord with signs, wonders and miracles. We could not get an accurate count as the decision cards were misplaced, but more than 20 accepted the Lord and many outside and opposite the Road stand and hear the good news and raise hands for salvation, but do not sign the decision cards. Children and adults alike receive healing and deliverance. Two were delivered from alcohol, and many delivered from demons. Also two drug addicts were saved and delivered. Many receive healing also through the gifts of the Holy Spirit. Nilanthi a young girl was healed of dandruff when her healing was called out. Kanthi said that before her operation her sister asked her to come for prayer and after prayer she said the pain left her abdomen and she told her Doctor who checked her again and said she doesn't need the operation. To God be all the glory. Please also pray for the construction work that has stopped, and also for Bro Frank's lands in India be sold. Please also pray for the interior work, chairs, pulpit, musical instruments, curtaining, A/C and lighting. The ministry received an Amplifier, two speakers, purchased a mixer and 20 plastic chairs. Thanks to the Lord and your faithful support.

The personal prayer and counseling sessions are also touching lives each day as people come for personal prayer and counsel. Some are also healed and receive our precious Lord as Saviour. Some receive words from the Lord and worries and anxieties leave them. It is so glorious to see them go back changed forever by the power and love of God. Many lives are touched, healed delivered and many answers to prayer through the phone ministry as well. Many say that after prayer they have peace, strength and answers to prayer. We are praying that the Lord will expand our phone ministry, with more telephone lines and volunteers to pray for those who call.

The home visiting ministry is also continuing to touch and bless live by our precious Lord. Also relatives abroad are touched and receive miracles. In April in addition to our monthly home visits, we had visited five new homes. One was Catholic but the son is born again. The parents, sister and uncle all gave their hearts to Jesus. The Lord gave the Mother a word and told her she is suffering from depression and can't take it anymore, and today He is delivering her. The Lord also healed the mother and father and also the blind uncle who said now he can see. The mother testified of how she was delivered and set free.

The second was a Buddhist and was a wealthy businessman, and one of the pillars of support to the Kelaniya Temple. A few years ago, he lost all business and came for prayer. Recently he came for prayer and asked for prayer for his house that had stopped construction for nine years. We

visited the house and prayed and our wonderful Lord showed us the curses and charms. I led him in a prayer of repentance and the Holy Spirit revealed all the sins to his surprise. He even testified of the oppression in the air was gone and was totally different and peaceful. Our wonderful Lord promised him that he will start construction in May, and we prayed for it. He called me yesterday and said that God has blessed him and construction will start tomorrow (May 3rd). All glory and honour to our precious Lord. He also asked me whether I can come and bless the house once it is completed on the day they go to reside, instead of his Buddhist priests, and I was happy to say ok.

The third was a Hindu, once a young successful phone businessman, now lost his business and was virtually starving when he came for prayer. The Lord also revealed the curses and charms in the house they were staying, and the mother and his wife also joined the prayer. The Father died of cancer recently also in this house. He said a miracle happened when he was coming to pick me up to pray for his house, as he just turned into our Lane, he got a business call from Russia. They were not ready to give their hearts to Jesus and I asked them whether they can pray to our Lord Jesus each morning and ask Him to deliver, provide and save them. They were delighted and also said that they will also read the Bible each day.

The fourth was a house dedication of a Christian mother and daughter, who went to a new rented house. They were desperate to move out when they first called for prayer, as the owner of the house wanted the house immediately in a few days. God provided them a nice upstairs and better than the one they were staying. We were able to break every curse and charms on the land and house and dedicate it for the Lord's blessing and protection.

The fifth was a Christian home, and the parents were backslidden and rededicated their lives to the Lord. The Lord revealed again the curses and charms and we prayed for their deliverance and also for a safe journey for the father who was leaving to U.K taking samples for the daughter's business.

To God be all the glory, honour and praise for the great things He is doing. The burden for the lost has captured my heart forever, and is always there, no matter what I do. Even when I travel I sense the Lord prompting me to pray for the salvation, healing and deliverance of that particular village or town. I am sure our precious Lord would give this burden to you, my precious partner if you ask Him. His burden is a light burden and never a heavy one. It gives one such joy knowing you have something that our precious Lord loves the most – the lost, for which He gave His very life, His ALL. Let's pray and do everything we can for the lost.

Please also pray for our monthly miracle service on the 12th. We are expecting great things from our glorious Lord Jesus. May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost!

With our love for you and the lost!
