Thanks a million for being my precious, faithful partner and for all your love, prayers, support and sacrifice for the lost in Sri Lanka. Together we are moving ahead with all that our glorious Lord and Master called us to do, fulfilling the great commission together.

**The Sunday morning Service** at Ratmalana continues to receive the blessings of our precious Lord each week with miracles and signs. Each week testimonies of God's goodness, miracles and guidance pour out of gratefulness to our wonderful Lord for the great things He does. Many testify that the Lord touches their hearts and brings healing to them during the worship. Our glorious Lord blesses everyone through the preaching of the word and the personal ministry time also and they find it practically helps them in their daily lives. Many testify that their prayer life gets better each day. Sister Jean testified that she gets anointed each Sunday and able to pray for people in her business and tell them about Jesus. Many are healed by our precious Lord through her. Many also thank our precious Lord for God's Word they hear each Sunday helps them during the week. Even the words of knowledge and wisdom they receive. Anula's sister thanked the Lord for saving her and delivering her and bringing her here. She was a Buddhist and then became a Muslim after her husband's death, so that her problems will be solved but nothing happened. After she gave her heart to the Lord, her daughter who was angry with her began to speak with her and invited her home after many years. Her problems are getting solved one by one and she thanks the Lord for this is the correct religion and testified with tears.

**The Sunday evening miracle service** at Prathibimbarama road continues to receive blessings from our precious Lord with miracles too. God's love continues to reach out to the sinner each week, with salvation, healing and deliverance and the poor is also taken care with the offerings each week. The miracle service on Wednesdays in one of the believer's home continues with souls' saved and many healed. Brother Samidu takes this meeting and God is using him in the gifts and preaching. Many Pastors from other Churches ministered last month on all Sundays. The miracles of healing and deliverance continue from the reports we receive.

**The personal prayer and counseling sessions** continues to touch lives, believers and unbelievers alike. Almost each day we see lives touched, with salvation, healing & deliverance. Many receive guidance and counsel from the Lord. Sister Lalani was brought by her friend Sister Dulsi for personal prayer. Her husband was bedridden and had gone for many operations and they had got deep into debt due to his illness and were unable to pay the bank interest too. As we worshipped the Lord touched her and spoke to her and said that He will completely solve this problem. She was touched and a heavy weight left her she said after prayer. Our precious Lord said He is forgiving her backsliding and restoring her. The Lord showed us the witchcraft that were effecting her husband and family who are Buddhists and we broke them all in the mighty Name of Jesus. She is now able to pray each day she later told us. After two weeks her husband was totally healed and God opened a new business for her. Her husband is going to work to the surprise of the doctors and the family members.

**The phone ministry** also brings salvation deliverance and healing to many. Many receive guidance and words of encouragement from the Lord and are healed and delivered.

**The home visiting ministry** touches many lives for Jesus as we visit homes of those who come for the services and also a home once a month, where we pray for miracles, needs and breakthroughs. Here in Sri Lanka, visiting a home is considered an honour for the people we visit. The poor consider it such a privilege and their faces light up. It is here that we hear more of their testimonies and see their needs.

**The Friday fasting prayer meetings** are now held instead of the all-night prayer meetings, so that people who cannot come for the night can attend the morning services as well. The presence of the Lord is getting stronger in these fasting & prayer meetings. Many are filled with the Holy Spirit and pray amazingly under the anointing. New things are revealed so we can pray and the meetings last month went on from 10am until 3.30 to 4.00pm on Fridays. Many testify of the miracles and the strength they receive. Some receive the answers by Sunday, some in a week etc. Many testify that their prayer life is better and they have a chance to fast and pray.

To God alone be all the glory, honour and praise for all the miracles He is doing among us. He is with us – “Emmanuel” God with us. Glory to His blessed name.

Please continue to pray, for the ministry needs of two overhead projectors, more chairs, musical instruments, microphones, to help the poor, the building fund and crusade fund. May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost! Love you with all my heart.

With our love for you and the lost!
