Thanks a million for being my precious partner and for all your love, prayers, support and sacrifice for the lost in Sri Lanka. Together we are moving ahead with all that our glorious Lord and Master called us to do, fulfilling the great commission together.

The Sunday morning Service at Ratmalana continues to receive the blessings of our precious Lord each week with miracles and signs. Each week testimonies of God's goodness, miracles and guidance pour out of gratefulness to our wonderful Lord for the great things He does. Many thank the Lord for the worship touches their hearts and brings healing to them. They are also able to learn new songs that help them in their personal prayer time. Our glorious Lord blesses everyone through the preaching of the word and the personal ministry time also and they find it practically helps them in their daily lives. Four new people were added to the Church in October. Our worship Pastor, Rodney thanked the Lord for healing his family who got chicken pox, and were healed within a week, which normally would take 3 weeks. He also thanked the Lord for the strength to do his Radio repair work and take care of the sick at home. He also thanked the Lord for Shyama who cooked and brought special meals to them each day, which have to have no meats and oil but nutritious vegetables. We also were able to lay a linoleum carpet in the hall where we have the services. The poor continues to receive help for their needs. Sister Anula thanked the Lord for God's strength to go through a difficult period financially due to the Garment Factory which closed down, near her home. Most of her clients for her Beauty Salon were from this Garment Factory. She said that God is providing her needs through the few clients that come and from God's people & the ministry.

The Sunday evening miracle service at Prathibimbarama road continues to receive blessings from our precious Lord with miracles too. God's love continues to reach out to the sinner each week, with salvation, healing and deliverance and the poor is also taken care with the offerings each week. We began a miracle service on Wednesdays in one of the believer's home close by. Brother Samidu takes this meeting and God is using him in the gifts and preaching. He is one of my son's in the faith, and was a gang member when he came to the Lord from our Bambalapitiya ministry in 2000. Many words of knowledge and healings takes place also through these words and also during the personal ministry time. A person was healed from Elephantitis on his leg after a month of prayer and attending the services faithfully. The swelling has come down more than half and he is sure the healing will be complete. A few were delivered from Alcohol and bad habits and we had womb problems, skin problems, a urine infection and a person with depression was healed during the worship. People continue to give their hearts to the Lord each week. Samidu ministered in 3 Sundays for October.

The personal prayer and counseling sessions continues to touch lives, believers and unbelievers alike. Almost each day we see lives touched, with salvation, healing & deliverance. Many receive guidance and counsel from the Lord. Many come with family problems and we are able to lead them to the Lord and pray and teach them to pray. Many join a Church in the area they come from as we recommend the Church.

The phone ministry also brings salvation deliverance and healing to many. Many receive guidance and words of encouragement from the Lord.

The home visiting ministry touches many lives for Jesus as we visit homes of those who come for the services and also a home once a month, where we pray for miracles, needs and breakthroughs. Here in Sri Lanka, visiting a home is considered an honour for the people we visit. The poor consider it such a privilege and their faces light up. It is here that we hear more of their testimonies and see their needs.

The Friday fasting prayer meetings are now held instead of the all-night prayer meetings, so that people who cannot come for the night can attend the morning services as well. Our wonderful Lord is moving mightily and His presence is beginning to come into this meeting also. Some were filled with the Holy Spirit and also delivered. Our precious Holy Spirit revealed hidden things to pray about including our nation and prophecies were also given. Last Friday I also experienced something I never experienced before. I felt a warm hand touch my head just after the worship and I began to pray in fluent Sinhala for more than 45 minutes. I normally don't pray in Sinhala. Shyama is the one who normally prays in Sinhala & I pray and preach in English. Later Shyama told me that was truly the Holy Spirit and not you. How I truly agree, I know it was not me, coz I am not very fluent in my Sinhala and needs a bit of polishing up. I remember also praying for the Chief Shepherd to keep the wolves in sheep clothing and goats out of the flock. I never have prayed that kind of a prayer before. Everyone prayed and truly they all were inspired by the Holy Spirit in prayer. One saw a vision of God's glory behind me and coming towards them. We are looking forward for a glorious time this coming Friday too.

Broadband Internet Connection. The ministry purchased a broadband Internet connection as a result of your faithfulness. It is just only Rs.2300.00 (AUD31.00/US\$ 23.00) per month and 24hrs a day free access. This has cut our Internet expenses to nearly quarter of our monthly bill.

Web site. (www.erroleardly.org) I thank our wonderful Lord for our precious sister Nancy Cooper from 'Disciples of all the nations' USA, for her love and support in doing a new website for the ministry for free and hosted it free. She said it is her love offering for the ministry. She is a software Engineer for 20 years and a mother of teenage children and has done a great job for the last few months, she has been working hard at it. It is almost complete and looks beautiful, and hope you will visit it. Don't forget to check out the photo gallery of some of the ministry highlights. Please pray for the Lord to richly bless her and her family and use her mightily. She truly is a disciple of all the nations and been such a blessing to us.

Please continue to pray, for the ministry needs of two overhead projectors, more chairs, musical instruments, microphones, to help the poor, the building fund and crusade fund. May our precious Lord bless you, here and in heaven for all your love, prayers and sacrifice for the lost! Love you with all my heart.

With our love for you and the lost!
