SEEDUWA MIRACLE CRUSADE 25th March 2007

Our first Miracle Crusade for this year was at Jesus Christ Is Alive Ministries Int'l, Seeduwa branch. What a glorious meeting it was. To God alone belongs all the glory, honour and praise for all the great things He did. Thanks for being so faithful in your love and support and standing by my side in these meetings.

Pastor Rohitha, the pastor of the Church led the worship and the worship team gave their all, in worshipping our glorious Lord. God's presence was felt as we worshipped our glorious Lord.

After the worship, three people testified. A brother testified of what our precious Lord did exactly one year ago. He testified that he was informed that his mother was dying in hospital. When he reached the hospital the doctor said that she is dying and they cannot do anything about it and to make arrangements for her funeral. He asked his wife to pray with him as she is a praying person, even though the Doctor was there. As they began to pray, God touched his mother and her breathing became better and after a while she sat up and talked to her son. The doctor shook his head and left them. He praised God that his mother is still alive and well today.

Another sister testified that her neighbour was very ill and they agreed to ask her pastor and his wife to come and pray for her. She too was healed but doesn't come to Church. She said how could people be so ungrateful.

The other sister thanked the Lord for giving her good hands, feet, eyes etc and strength to do her work. She said many don't have what we have, and are in hospitals, sick, lame, blind etc and we must be grateful to God.

I shared God's word on Reigning thro' Christ (Roman's 5:17). We are Kings and Priests and we reign over the enemy's plans and works that come again us (Rev 1:5-6, 5:10). We must reign over sickness, poverty, bondages and sin. We are more than conquerors through Jesus Christ our precious Lord. We must turn our darkness to light as God did in creation (Genesis 1:1-3). God spoke His Word over the darkness and it turned to light. In God's Word there is power to create, heal and change darkness to light. Man's word has no creative or healing power, neither the devil's. When we speak His promises over our situation and pray it turns around from darkness to light.

God always starts with the darkness and ends with light. God's day starts with the evening and ends with the day. *".....And the evening and the morning were the first day."* (Genesis 1: 5b). *".....And the evening and the morning were the second day."* (Genesis 1:8b). Our day is just the opposite. God's ways are opposite to man's ways. God's word brings light into our darkness.

When Peter was in prison and about to be beheaded, as James (John's brother was beheaded), he was next. Peter was in a dark situation (Acts 12:2-8). Peter must have been in fear but was ready to die for our Lord. But I am sure he prayed for he was a man of prayer. The Holy Spirit must have brought to his remembrance a prophecy which our Lord gave to Him a few years before. *"18 Verily, verily, I say unto thee, When thou wast young, thou girdedst thyself, and walkedst whither thou wouldest: **but when thou shalt be old, thou shalt stretch forth thy hands, and another shall gird thee, and carry thee whither thou wouldest not.** 19 This spake he, signifying by what death he should glorify God. And when he had spoken this, he saith unto him, Follow me."* John 21: 18-19

Peter remembered the words as the Holy Spirit reminded him, "**but when thou shalt be old,**" Peter knew He would die old and glorify God not now. That word brought Peter faith and changed his situation. That's why Peter could sleep well, between the guards and the angel had to tap him to wake him. Today God's Word is bringing you out of your darkness into the light.

I shared why Jesus was born in a cattle shed. I know because my parents had one when we were children. Although you may wash it many times with water, it becomes dirty and smells. Jesus was born in a cattle shed, to show that He loves to come into our sinful hearts. My heart was like a cattle shed too, full of drugs and sin. When Jesus came He turned it into a palace for Him. Do you want Him to come into your hearts right now. I couldn't preach anymore for the Presence of God was moving and touching the people. Before I could even give an altar call people were standing all over. They were ready for Jesus. The people prayed with all their hearts. Then many were healed as I began to speak God's Word over their darkness. It was powerful. They were crying, praising and shouting and were being touched.

The Holy Spirit then wanted me to lay hands on everyone so that they will recover from everything that the enemy has stolen. Everyone was out of their seat and running to the podium.

After the service some came and told me what great things the Lord has done. A brother was given up by Doctor's and was very sick and every part of his body of his was in pain. He was very thin and his heart was beating fast. He said that a light came into him and something went out of him. He said that the message was for him. He was healed by the power of God. Many came and testified as we had no time to take testimonies of the healing and miracles they received and the message touched their hearts. Some of them were asthma, skin rash, headaches, spine pain, blood pressure and heart conditions. Beloved Partners, where ever we go we see the hunger of people. The harvest is ripe, let us do all we can now, before it is too late.

We couldn't say how many received Jesus in their hearts, but many did and all glory to our God. Many asked me to come again including Pastor Rohitha.

Thanks once again for all your love and support which is touching lives for our precious Lord.

Please pray for our next Miracle Crusade on the 22nd of April at the Christian Centre Church, Kalutara.

With our love for you and the family and the lost!
