NEGOMBO MIRACLE CRUSADE 10TH DECEMBER 2006

To God alone belongs all glory, honour and praise for all the great things he did at the Negombo Miracle service, held at the Kings Revival Church, Negombo. The expectations were high, and people came from around and afar expecting miracles, and our wonderful and faithful Lord didn't disappoint them. The glorious presence of our precious Lord, came into the building during the end of the worship, and all of a sudden there was loud praise, clapping and rejoicing. Even before I could be invited to the podium to share God's Word, miracles began to happen.

The worship leader, Pastor Ashley's mother, called me up to minister to the people as many were coming forward to the podium. I looked to the Lord, to ask Him what I should do and He said, minister to them my son, I want to honour their faith. So I began to minister and the words from heaven flooded my soul and mouth. There was no stopping now, as the Holy Spirit began to speak to these precious people, giving them words of wisdom, encouragement, prophecy and promises, healing and delivering them. I too felt the presence of God so strong, my legs were feeling weak, but every word I spoke gave me strength. Many were in tears, as they received healing and deliverance. We couldn't get an exact count of the people who gave their hearts to the Lord, but we praise our precious Lord for the harvest of souls.

Many were healed of diabetes, three people with skin problems, some with body pain. A two year old child was healed of an incurable skin disease, which the Doctor's said cannot be medically cured. Two beloved Pastors from another Church were delivered and healed. One was healed of a skin rash and the other from depression. They were both rejoicing for their healing and deliverance. God gave them prophetic words and they were clapping and shouting for joy. There were twelve orphan children, girls & boys (10 years and below) which were touched and healed and given words of prophecy. Many fell under God's power as they were touched. We were able to bless the orphan children with an offering because of your love and support. These precious children were waiting for a hug and a kiss from me after prayer and what a joy it was to hug and kiss them. Although the Pastor was not present his parents asked me to please come again for another great service. Many, after the service asked whether I can come again and I gladly said yes. Beloved Partner, the hunger of these people for God is beginning to touch my heart like fire and I want to go for the lost like never before. Please pray that our precious Lord would give us an increase so we can do more crusades in the coming year, for our wonderful Saviour and also for the lost. Thanks, thanks so much for standing with me, this year. I felt again that you were standing there with me ministering to these people. Please do your best for the needs are great. May our glorious Lord bless you for all your love, prayers, sacrifice and support to His work. You truly love our wonderful Lord and Master. Please continue to keep these meetings in your prayers! Our rewards are going to be great in Heaven!

With our love for you and the lost!
