MONTHLY MIRACLE SERVICE APRIL 2, 2007

To God alone be all the glory, honour & praise for the great things He is doing in our midst. The monthly miracle services are getting better each month, by His grace, mercy and love.

The River of God continues to touch lives in every service. Many from others Churches join us for worship and receive God's word and His wonderful touch. It's so good for us to dwell in unity and many love this.

The presence of God came in as Pastor Rodney & team led us into worship in Sinhala and English and all felt it. It is wonderful.

As I came to the podium to share God's Word, again the Holy Spirit prompted me to ask all who can pray in other tongues to do so and it was awesome. Out of our belly shall flow, rivers of living water and it began to flow. It is just not one river but **rivers** of living water.

Many testified of this being so wonderful, as those who had not prayed in tongues for a long time began to break-forth and the springs begin to flow again. Some who pray in tongues often have received new languages of prayer. As we did this we went into a higher level of the anointing. It was just great. The Holy Spirit gave us words of encouragement and asked us to do this often, at home or even when we are driving, walking, cooking, cleaning etc.

This month's Word I shared was MANIFESTING AS SONS OF GOD.

Deut 29:29 declares, *"The secret things belong unto the LORD our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law."*

1. I shared that God has many secrets and He reveals some to us. What God reveals to us belong to us and our children forever. In God's Word are hidden many secrets that He reveals to us, when we read and hear His Word preached. It contains promises to cover every need, to encourage us, gives us wisdom and also spiritual food for our spiritual lives etc.

Everything revealed in His Holy Word is for us and our children. Every promise is for us and our children. We receive them by praying for them to manifest in our lives and thanking God for them. We then do what God is asking us to do in His Word.

2. We are no more servants but sons of God. We are not in bondage and slavery to satan and sin. We are free. Whom the son of man sets free is free in deed. We are sons of God and are the sons of light. We are not in darkness but in the marvelous light.

Galatians 4:4-7 declares, *"But when the fulness of the time was come, God sent forth his Son, made of a woman, made under the law, To redeem them that were under the law, that we might receive the adoption of sons. And because ye are sons, God hath sent forth the Spirit of his Son into your hearts, crying, Abba, Father. Wherefore thou art no more a servant, but a son; and if a son, then an heir of God through Christ."*

We are an heir to all God has for us. We are not just Christians but sons of the most High God. He is our heavenly Father. We are not working for our Father as mere servants but sons. It is different when you are a son, because we are about our Father's business. A servant does not care much about the Master's business, because he works for money. He is not concerned about God's House or God's business. But we as sons are concerned about our Father's business and our Father's House.

3. We are the children of the light and not the children of darkness. We walk as children of light and not as the children of darkness. Galatians 5:6-9 declares, *"Let no man deceive you with vain words: for*

because of these things cometh the wrath of God upon the children of disobedience. Be not ye therefore partakers with them. For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light: (For the fruit of the Spirit is in all goodness and righteousness and truth;)"

When we obey our glorious Lord and do what His Word is telling us to do we are manifesting as sons of light, as sons of God. We are manifesting God's light in our dark world.

4. We as children of God and joint heirs with our wonderful Lord Jesus. Jesus is not the ONLY Son God has. We are His sons too. The devil doesn't like us to know this. This is a secret from heaven. If you don't know you are a son, then you will not manifest as a son of God. This is what the devil fears most of all, because if we manifest as sons of God he is finished, lives are going to be changed and darkness is going to change into light and this he fears most of all.

Romans 8:14-18 says, *"For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. The Spirit itself beareth witness with our spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us."*

We are sons of God and joint heirs with Jesus, we have all of heaven at our disposal as Jesus did. We can do what our precious Lord Jesus did and greater things because He arose again and went to the Father and promised this to us, to all of us who believe (John 14:12).

All we have to do is step out in faith and do all in His name – the name of Jesus, the name above every other name, heal the sick, cleanse the lepers, raise the dead, cast out demons, proclaim the Kingdom of God is here. Freely we have received, let us freely give (Matthew 10:7-8)

5. Let us manifest as sons of God, as sons of light in this dark world. The world is in darkness and is in desperate need of light. They just don't know how to get it. We who know can do so.

Romans 8:19 declares, *"For the earnest expectation of the creature waiteth for the manifestation of the sons of God."*

The whole world is in earnest expectation, or in desperation to see the sons of God manifest. God says they are waiting in desperation for the sons of God to manifest. What are we waiting for?

Beloved, are we waiting until **all** our problems are solved or until **all** our needs are met? No precious child of God, for there will always be a problem to solve and there will always be a need that has to be met. That is one of the devils plans, to keep us in bondage and not manifest as sons of God.

In fact God will begin to meet all those needs and solve those problems faster as we build His kingdom first, because He will build ours then.

I remember many years ago I was having high fever on the day that I had to preach in a miracle service in the evening. I had a wonderful prayer time in the morning for a few hours. I also prayed for my healing but nothing happened. I went for the service anyhow. The enemy tried to talk me out of manifesting as a son of God but I refused. Many were healed and delivered and saved. After the service I came home and I had a shower. I then realized I was no more having fever and could not even remember at what time the fever left me. God will truly look after our problems when we look after His.

Let us manifest as sons of God! Let us bring light to our dark world. What ever you have freely received from God freely give. I like Peter and John who healed the lame man in Jesus name at the gate beautiful. They said, silver and gold have I none but what I have give I unto you, in then name of Jesus Christ of Nazareth rise up and walk and they lifted him up and he walked, leaped and praised God.

Remember they never prayed for him for half an hour or said, 'Jesus please heal this poor man' they just manifested as sons of God and commanded him to be healed in Jesus name and he was.

The Holy Spirit has been revealing this to us and asking us to minister in this way for more than a year now and we see more miracles and healing is manifested in Jesus name this way. It works, if you will step out in faith and act on God's Word.

We all can manifest as sons of God, in our work places, neighbourhood, homes and Church etc. First when we pray for them daily, then when you notice someone sick or depressed in your work place or neighbourhood, ask the Holy Spirit to give you the right word to minister. You will be surprised at their response.

A word of wisdom to those who are going to shine in your work place, avoid ministering during office hours unless your boss has given you the permission to do so. Always use the lunch break or after hours where you can visit them or they visit you so you can minister to them.

When we use our talents, gifts and resources God has given to us, we manifest as sons of God. Those who have computer knowledge and other skill can also manifest as sons of God by using it for the Church and ministry. Those who are blessed financially can manifest by supporting the work of God that needs it.

Our wonderful Lord's ministry was about preaching, healing, raising the dead, and meeting needs. We too can do the same and believe me, when you have done something for the Lord the joy and the satisfaction that comes after is unbelievable. I think it is because we have made the Lord happy and manifested as a son of God? You may try it, it always works.

We are all called to fulfill the great commission and we can all fulfill it by manifesting as God's sons. The Holy Spirit then reminded me of the promise to lay hands on the sick and they shall recover. I just laid hands on all and only said recover in Jesus name and many were healed instantly. Some were shaking, crying and had to be seated as God touched them. The Holy Spirit also gave prophetic words for many.

Thanks to you for standing by my side with your love, prayer and support and also to our wonderful Lord for visiting us in a special way and enabling us to do all these miracles. In Jesus name I am speaking all blessings from His word to you and the family daily, covering every area of your lives.

Our next monthly miracle service will be on the 1st of May 2007. Please keep us in your prayers. We are expecting great things and the River of God to continue. The team, the family and I are praying much for you and the family every Friday during our fasting & prayers and in our personal prayer and the family prayers each day. God loves you and we love you too. Let's keep up the great work guys!!!

With our love for you and your family and the lost!
