### **MONTHLY MIRACLE SERVICE 11<sup>th</sup> April 2006**

Thank you once again for your love, support and sacrifice for the lost. The presence of God was felt in a strong way right from the beginning. Pastor Ashley Joseph was our guest preacher and has a good healing and gifted ministry. He is a young Pastor and in just three years is pioneering two Church plants one in Negombo and other in Nivasipura Ja-ela.

He said that the presence of God was very strong today. We all felt the same. My sister, Christine attended and thanked the Lord for her deliverance from Islam, charms and bondages. She said she ended up depressed and very unhappy and thanked her mother and brothers for fasting and praying for her salvation and deliverance and also for Pastor Ashley for praying for her and her son's healing. She also thanked the Lord also that, her son, Shalik got a job in Dubai and is going to Kings Revival Church, Dubai, and gave his heart to Jesus and loves to go to Church.

Sister Ramya thanked the Lord for His strength in difficult times, and also for the word of God preached that blesses her life and family. Her family has got closer to the Lord and changed she said since they came for these services, and also for the financial blessing she received from a recent project she did for her Company. Sister Anula also thanked the Lord for her successful eye operation and the Lord's provision for it.

Many were healed and delivered. Some were filled with the Holy Spirit during the worship time. Many received words from the Lord during the individual prayer time. Many said the message on prayer blessed them and received new revelation. Two successful businessmen at one time (one a Buddhist and other a Hindu) who had lost everything attended. The Hindu gave his heart to the Lord, and the other said he wants personal counseling and took my phone number to contact us. We thank God for the one soul that gave his heart to the Lord during this service. If this was the only miracle for the miracle service, it was worth it all.

To God be all the glory, honour and praise for the great things He is doing in our midst. The burden for the lost has captured my heart, and is always there, no matter what I do. A few weeks ago in prayer the Lord asked me whether I wanted a burden for the lost. I thought I had, but through experience I've learnt not to argue with the Lord. He always wins, hallelujah! He truly is the lover of our souls. All I had to say was yes. At that very instant such a strong desire and love

for the lost, that I never had, captured my heart. Truly, one can be an Evangelist and still not have a burden for the lost. I am glad I now have it. Only God can give such a burden. Let's pray and do everything we can for what our wonderful Lord Jesus died for – the lost.

May our precious Lord bless you for all your love and sacrifice for the lost on earth and in heaven!

With our love for you and the lost!
