MONTHLY MIRACLE SERVICE DECEMBER 4, 2006

To God alone belongs all glory, honour and praise for what He is doing through us, you and I. Your prayers and support are going up to heaven as incense and pleasing our wonderful Saviour & Master.

This month's miracle service was a glorious service, and went beyond our expectations, for our glorious Lord did more than we asked Him or even thought. The presence of the Lord was wonderful and came in at the first song we sang. This month we introduced the Sinhala also making it a Sinhala & English miracle service, as people who knew only Sinhala are coming for the service.

The mighty Holy Spirit spoke to many even during the worship and gave them words of guidance, encouragement and prophecy. The Lord also spoke through brother Shiran Abeywardena, one of my Sri Lankan friends who came from Brisbane, Australia after 10 years, after the Lord spoke to him and his wife Jeshika to come to Sri Lanka. He said he came to receive and was filled with the presence of God and God gave him words to share. He asked me and I said ok. His friend brother Danny also from Australia on a short visit was touched and God used him also in a powerful way. Brother Danny is a prayer cell leader in his Church in Brisbane and said that the meeting was awesome and experienced what he had never experienced before. Everyone of us said the same thing as we all experienced something new. We felt so full of the Holy Spirit, we never felt even hungry for lunch.

Amazingly Shiran shared a major part of what was on my heart, and when I shared God's word for a few minutes, I knew the Lord couldn't hold back anymore, people began to be touched by our precious Lord and I sensed He could use Shiran & Danny again to minister personally to people, and didn't He use them. For the first time I felt totally out of control of what God was doing. It was such a wonderful experience and I pray that our glorious Lord would continue to do this work.

Two young men gave their heart to Jesus instantly as God spoke to them, one a Catholic and the other a Buddhist. Many sicknesses were called out and many were in tears and delivered. We had no time for testimonies, as each was ministered to personally by both Shiran & Danny. There were many prophecies, and God's direction given.

There was a sister who was delivered from witchcraft, evil spirits, and traumatic experiences. She vomited all the evil stuff out. After she was delivered, she started laughing in the Spirit as the joy of the Lord filled her heart. Later she told us that she never even smiled for many years. No wonder our wonderful Saviour gave her such joy and laughter. Many were also filled with the Holy Spirit.

Bro Danny and Shiran gave some glorious prophetic words for the ministry, some our precious Lord had revealed to me to pray about. They saw a large building in this place and God's glory falling like fire and also a mighty river of living water flowing and thousands coming who are thirsty drinking from it. When he said that, something happened to the bottom area of my stomach, and I felt like a river gushing out. Then he said that God will take me to many nations to give drink to the thirsty. I was weeping too, and Shiran & Danny were experiencing something in their stomachs. God gave a word for Danny that God has put a love for this nation in his heart, and the love of the nation for him and God will bring him to this nation again and again until he accomplishes all that God has for him to do. God gave a word for brother Shiran & Jeshika that God has a big work here for them to accomplish and will be vessels to bring God's glory to this nation. Sister Jean also had a personal word for Shiran which she shared with them in confidence.

We could not close this meeting in prayer for the first time, and our precious Lord said through Danny that God doesn't want us to close this miracle service for the miracles will continue even after the service and even into the New Year. This was a wonderful way to end the last monthly miracle service for the year 2006. The year was great as our wonderful Lord blessed these meetings with His glorious presence and many miracles and answers to prayer, bringing salvation, healing and deliverance to the lost.

I wish to thank our wonderful Lord and Master and all you partners for your love, faithfulness and sacrifice for standing with me to serve our wonderful Master together in these meetings. Often I felt the Lord and you standing with me ministering to the people. Words will not be sufficient to say thanks to you.

Let's pray and expect God to do more through us in the coming year 2007.

May you have a wonderful Christmas season with the family and a greater year than the previous years put together.

With our love for you and the lost!
