MONTHLY MIRACLE SERVICE FEBRUARY 1, 2007

Our second service for the year went beyond our expectations, for God's presence came into the miracle service at the very first prayer. The anointing was more stronger than the previous services many testified. For the first time there were prophecies at the time of worship and sister Chrisanthi gave a prophetic word to the people. We felt a divine peace about the word. Tears ran down the faces of some as the worship continued.

Pastor Rodney Eardly led the worship on the guitar and Mishu did well on the keyboards with Gilane on vocals. As the people continued to worship in both languages English & Sinhala the presence of God increased. The presence of God was so wonderful that when I came to the podium to preach, I couldn't but worship more. I sensed we were in the very throne room of God, and God had accepted our worship and it was a sweet aroma to Him. The words just poured out of my mouth and there was no holding back. *"God also said that He loves His people and that none would go back empty handed today. The Holy Spirit said that the struggles of His people will cease and enter rest from their battles, and this year shall be a year to be remembered. This year shall God's people enjoy the fulfillment of God's promises in their lives. The Holy Spirit said ask what you wish from your heavenly Father, even for those who are at home, even a problem in your office. The Holy Spirit said that there are few who are battling with a problem for years and wanted them to give this problem to the Lord for it is not in their hands to solve it"*. Hands went up as they gave this battle over to the Lord. You could literally feel the release – it was too wonderful to behold. Some of them after the service spoke to me and praised God for the answer and told me the problems they were battling with, some for many years.

I shared God's Word on Peter walking on the water with Jesus and about all who touched the hem of our Lord's garment were healed. Many say that the preaching on the miracles of our Lord are giving them such new revelation each time they hear it and helps them receive the miracles and doubts just fly away if they ever had any.

We had a couple from another Church who are serving voluntarily in a children's orphan ministry and they were in tears and also had a battle for years, and received a personal prophecy for them. All who came forward for personal ministry received a touch from the Lord and words of encouragement, prophecy and wisdom. Our precious Lord also gave a word of wisdom to pray over the new plague that is plaguing our nation called 'chikungunya' where thousands mainly the elderly people have died. It comes from a mosquito. Christians so far are believed to have survived although go the plague. Some were healed of the after effects. Many sicknesses were healed, namely migraine headaches, a womb problem, diabetes, blood pressure, sinus, a blood problem etc.

My friend Pastor Christo, from the Four Square Church was also present and said that the way God is moving in this place, something great will happen soon, and I said a big amen to that with all my heart and feel the same. Precious partners lets pray that God will do this great thing that He wants. Many say the Lord is truly present here and that's what people need today – God's presence. It was truly a great service.

To God be all the glory and praise for all these beautiful testimonies and for all He is doing among us.

Thanks, precious partner for standing by my side with our wonderful glorious Lord. Words are not enough to thank you for all your love and support. I pray we will all do our best, sowing our best financial seed for all the souls we will reach out this year.

The Pakistani people are praying and wanting to invite me for miracle services in 2007. Please pray and sow your best for it will be my first crusade abroad. Many new doors are opening out this year – please pray.

Please pray for our next monthly miracle service will be on the 3rd of March 2007.

With our love for you and the lost!
