MONTHLY MIRACLE SERVICE JANUARY 15, 2007

Our first service for the year started off very well and the presence of the Lord was present with us. What a faithful God we serve.

We also were blessed with a new organist, a youth named Mishu. Pastor Rodney led the worship and many were touched by our Lord during the worship.

We had my friend Pastor Christo, from the Four Square Church, his wife Maureen and grandson visiting us. They too received words of prophecy from our precious Lord and healing. God also revealed to them a word of wisdom which they wanted. He said he was truly blessed by the message too.

Sister Chrishanthi received healing and she asked God to talk to her through Pastor and she received words of prophecy and guidance which she needed.

Sister Dulsi testified that she came to the last miracle service with such a burden, because her son was on drugs, lost his job and was backslidden. After prayer he is now delivered from drugs and is going to work and is praying although not attending Church yet. She asked for prayer that he comes to this Church too.

Bro Shahan also thanked the Lord for healing his spine pain and God giving him guidance, words of prophecy through Pastor. He also thanked the Lord for the strength and courage he receives in these meetings from God's word and personal prayer and advice he receives.

Sister Shirani thanked the Lord for His healing, provision and guidance. She was touched by our precious Lord and was weeping as God revealed an answer to her prayer and gave her prophetic words for her and the family. She thanked God for His strength to overcome obstacles and see miracles. She also thanked God for God is using her son Nathan powerfully in the youth ministry. He is leading worship for the youth and playing and singing in the choir in an AOG Church.

To God be all the glory and praise for all these beautiful testimonies.

I wish to thank our wonderful Lord and Master and all you partners for your love, faithfulness and sacrifice for standing with me to serve our wonderful Master together last year in 2006. You have been so faithful. Often I felt the Lord and you standing behind me ministering to the people. Words will not be sufficient to say thanks to you.

Let's pray and expect God to do more through us in this year 2007, which is going to be a great year.

Please pray and do your best to sow your best financial seed this year and continue to pray for these meetings. God is going to bless all of you with a greater harvest of souls, financial increase and blessings that money can't buy in your life this year. As we build His kingdom, God will build ours. Don't forget the building fund and the crusade fund which needs our support to accomplish all the meetings. There are more invitations this year.

Please pray for our next monthly miracle service will be on the 1st of February 2007.

The team and I are praying much for you and the family and also every Friday during our fasting & prayers.

With our love for you and the lost!
