### **MONTHLY MIRACLE SERVICE JULY 10, 2006**

The miracle service was another glorious success, because of the presence of our wonderful Lord by His precious Holy Spirit and also because of your prayers, love and faithful support.

Our wonderful Lord Jesus, is really pleased with all of us, serving like this together. As my brother Rodney, led the worship, the presence of the Lord was felt. I feel the anointing is increasing and strong with each service. Some of the regular people were not present, due to the long weekend when people take a break for a small vacation which they really need.

But we had four new visitors, one young Buddhist girl have her heart to Jesus during the personal ministry time and the other three were Christians. I personally asked them after the service, whether they liked the service, and they were overwhelmed and said that they were blessed beyond words can tell, by the worship, preaching and ministry time. They said that the personal ministry time was also marvelous that some of their problems were prayed for and received guidance and clarity. They said that their burdens left them, and two said they were healed, one a heart condition and the other a spine problem. There was also another sister who told me that her spine problem left after the service.

Many were filled with the Holy Spirit during the worship. A brother testified that he had fallen into a sin and the day before the service, after my wife, Shyama called him and reminded him of the service. He said he repented and asked God to fill him with the Holy Spirit, but was not filled like other days immediately, but today during the worship he said he was filled with the glorious Holy Spirit. He also said that he feels such freedom to worship here.

An uncle testified and thanked God, that our ministry has blessed and touched his family and loved ones. He also thanked the Lord for the all-night prayer vigil in his home the night before the monthly miracle service, that we were invited and also the previous all-night prayer vigils which all his family members were truly blessed. Brother Rohan whom God is using put these meetings together also testified he was blessed mightily and was blessed to see all his relatives touched by the Lord and gave thanks to the Lord for this ministry which touches lives for Jesus.

My brother Rodney, testified that after he came to Colombo five years ago, it was the first time he

went for an all- night prayer meeting since that time. He thanked the Lord for the opportunity and lead us in worship into God's presence. Many were also healed through the gifts of the Holy Spirit. We give all the praise honour and glory to our precious Lord & Master for all He is doing for His people. Thanks for all your love and support.

With our love for you and the lost!
