### MONTHLY MIRACLE SERVICE JUNE 11, 2006

What a wonderful Lord and master we serve. It is such a privilege and joy to be serving our precious Lord at this time.

We had the English and the Sinhala separately this time as the Poya holiday was on a Sunday. But the presence of our glorious Lord was felt in both morning and evening services.

The miracles continued and people were touched by our loving Holy Spirit during the worship, preaching and personal ministry. Many diseases were called out and healed, by our blessed Lord and healed. A womb problem, skin rashes, urine infections, headaches, low blood pressure, diabetes oppression and a spine problem were some of them.

Many received words of prophecy and words of encouragement and conformation and also healing during the personal ministry time.

Also two drunkards were totally delivered, and a demon possessed young girl was delivered in the Sinhala miracle service in addition to the healing. The Lord led us to do a prophetic act, to get people to write their problems, debts, curses, any IOU's to be forgiven etc on paper and burn them. Many testimonies flowed from the next week, and are still coming in of the wonderful work of God, praise to our wonderful Lord and master. Curses, problems, debts and restoration of relationships were testified. Eight people gave their heart to the Lord. To God be all glory, honour and praise for all what He is doing in our midst.

Thanks so much for all your love, prayers and support. If not for you and the Lord we could not see all these wonderful things. Together we are an important part of this glorious work of the Lord. You and I are going to receive the rewards together in heaven and here on this earth for all the sacrifices we have made. *"And everyone who has left houses or brothers or sisters or father or mother or wife or children or lands for My name's sake, shall receive a hundredfold, and inherit eternal life."* Matthew 19:29

Let us continue with all our hearts, moving forward to see lives changed and touched for Jesus. Lets do all we can before it is too late. There is an urgency in the Holy Spirit. What we do we must

do now and not postpone or delay. Let us bear fruit for our precious Master, for He has chosen you and me to bear fruit, *"For you did not choose Me, but I chose you and appointed you that you should go and bear fruit, and that your fruit should remain, that whatsoever you ask the Father in My name He may give you."* John 15:16

With our love for you and the lost!
