MONTHLY MIRACLE SERVICE MARCH 3, 2007

This month's monthly miracle service was the best so far and again beyond our expectations. To our wonderful Lord alone belongs all glory honour and praise for His glorious presence. Thanks so much for your love and support. The 'River of God' is increasing and touching each and everyone. From the very first song God's holy Presence came into our midst and everyone felt it. It was awesome. This time Pastor Rodney and Gilane led the worship in turns in both Sinhala and English languages and it was truly wonderful. God continued to honour the hunger of His people.

As I came to the podium to share God's word, I sensed the Lord wanted all who can pray in tongues to do so and that He will open the springs of living waters from their belly. It was too wonderful to behold people groaning, praying in the spirit and some who had not prayed in tongues for many years, just broke out in new languages of the Holy Spirit. Then the Holy Spirit gave words of encouragement, prophecy, knowledge and wisdom through brother Shiran Abeywardena and I to many. Some were healed during this time although we didn't call out any sicknesses. This was something new we had experienced. How wonderful our Lord is.

One brother said that it is true, God had asked him to pray for a sick person many years ago but did not obey and God released him today and we gave him an opportunity to lay hands on all who were sick and everyone he prayed for was healed. He thanked our wonderful Lord so much for forgiving and releasing him and giving him the opportunity to obey. Joy flooded his soul then God spoke to him and wanted him to be a part of the building project and he gladly said that he will not only give but supervise the building project as well. He said God has put three Churches on his heart and we are one of them. The Holy Spirit then gave them some great promises and also, if there are any Lazarus's who are dead or on the verge of death, God is going to raise them up.

Faithful partner, do you have a Lazarus in your life or family? Is there anything that is dying or nearly dead? Is your health failing, your finances, marriage, business, job or relationships etc? God is going to resurrect it, because He is the resurrection and the life – Hallelujah. This is the word for you as well. Accept it and it will start to happen. It's already happening in people's lives over here. One sister testified later that her husband who is abroad called her and the marriage that was dying, suddenly began to live. He called her and said something is happening to him and that he loves her and will come home. Sister Dulsi said that her daughter that chased her out of the house many months ago, began to call her and asked her to come and spend a few days with them. Her son that didn't go to Church is now coming here every Sunday and Friday. Another sister said that her prayer life was dead and now is come back to life now.

I shared on 'How God performs His Word'. God first speaks it and then performs it. He began it in creation when He said let there be light when there was darkness. The darkness then became light. He performed His word over creating everything except man. He then spoke through His prophets and performed it. He never does anything without **VERBALLY** speaking it. This is something unique with our God. Because the devil doesn't do what he says, neither man some times.

In God's words there is so much power. When man speaks his own words there is no power but there is creative power in God's Word to bring life and even something new that has not yet been. Now He is looking for us to speak His prophetic Word. To Peter who wanted to walk on the water with Jesus, God's prophetic word through our wonderful Lord was '**come**'. When we hear God's prophetic words great things can happen. To dead Lazarus it was '**come forth**'. I speak life and health to you, I speak blessings to you, success and every blessing to you. I am getting another prophetic word for everyone of you my partners. '**Goodness and Mercy shall follow you all the days of your life**'. No more bad...curses, demons failure, sickness, lack, bondages, divorce, accidents but goodness and mercy. Not just today but everyday of your life. Say out loud, precious Father, I receive Your prophetic Word,

Goodness and Mercy will follow me all the days of my life and not bad. I speak ONLY Goodness and Mercy to follow you all the days of your life.

I shall write you the complete message on my partner letter I will send next. You will truly be blessed as we all were, including myself.

The Holy Spirit wanted me to lay hands on each one and speak life, blessings etc to them and I did. What a meeting it was.

You truly are a part of this as I sense you and the Lord standing by my side, each time I minister. Thanks for being my support and faithful partner. You too will receive all these blessings the River of God is bringing to us.

Our next monthly miracle service will be on the 2nd of April 2007 and we hope to celebrate the Passover on this day. Please keep us in your prayers.

A whole lot of good things are happening and will let you know in our updates soon.

We love you and the team and I are praying much for you and the family and also every Friday during our fasting & prayers. The family and I pray for you and the family daily in our personal prayer and the family prayers.

With our love for you and the lost!
