MONTHLY MIRACLE SERVICE NOVEMBER 5, 2006

The Poya day this month fell on a Sunday and we dedicated it for both the monthly miracle service, and the Sunday service. It was a combined Sinhala and English.

The presence of the Lord came in as we began to worship. Many lives were touched even during the worship. Even before I could share the word of God, the Holy Spirit began giving me many words of encouragement and healing for many. There were two new comers who gave their hearts to the Lord. Two rededicated their lives to the Lord. Because it was a Sunday we had a little lesser attendance, because some come from other Churches and had to be there for their Church service, which is perfectly ok by us. But that didn't stop our precious Lord Jesus from being so faithful, He was present to touch, heal, save, deliver and bless.

Two mothers were desperate for their children. One was a Buddhist and gave her heart to the Jesus. God called her out and told her that He has heard the cry for her son who has fallen into sin. After the service she said that this was what convinced her. She had tried many religions, even Islam, for her son who is living in sin with a prostitute. Her son who loved her so much now hates her and doesn't talk to her. She also said that there was so much peace here she could not understand. I told her because Jesus is here and He is the prince of peace. She said that she wants this Jesus, I said you already have Him in your heart, because you asked Him to forgive you and accepted Him in to your heart. She was shocked it was so simple. I also told her of all the benefits of salvation and she was overwhelmed. Tears came from her eyes as I prayed for her son. She said she will be faithful to Jesus.

The other mother was a born again Christian for nearly ten years going to an Anglican Church, and her son was on drugs and her daughter asked her to leave the house and now she is living with friends. Our glorious Lord called her problem out and told her that satan's work is finished in her children's lives and hers. We prayed and broke the Generation curses and she wept tears of joy as she got free. We have still more deliverance to do and asked her whether she could come again and she, to our surprise said that she has chosen this to be her future Church.

Sister Anula said that although she is going through a hard time and her business is not doing well, but her prayer life has increased and she is telling others about Jesus. She thanked her precious Lord for the financial help and support she gets from the ministry. But her rent had gone into arrears and the landlord who came to ask her to give the house back asked her to be here, but pay the rent. She told the truth that her business was down a bit and will surely pay it, as soon as things better. The landlord said ok and left.

Our worship Pastor, Rodney Eardly thanked the Lord that he had fever yesterday and was healed today. We also praise God for his wife, Shirani did a great job interpreting the message into Sinhala. We hope to have the monthly miracle service in both languages in future as many Sinhala speaking people are also coming.

Our wonderful Lord healed me too during the worship. I had sprained my right hand wrist the previous day and the pain just left.

To God alone belongs all glory, honour and praise for what He is doing through us, you and I. Your prayers and support are going up to heaven as incense. Let's keep up the good work.

Thanks once again for all your love, sacrifice and support for our wonderful Lord. Words are not enough to say thanks! Lives are never the same because of your love, prayer and sacrifice. Our precious Lord needs us more than ever. Let us reach out to more each day through our love and sacrifice. God will reward us for thing we do for Him. When we build His Kingdom, He will build ours.

Please pray for our next monthly miracle service too.

With our love for you and the lost!
