MONTHLY MIRACLE SERVICE OCTOBER 6TH, 2006

It was another glorious day for miracles, for our precious Lord Jesus moved in a wonderful way to touch everyone who was there. As I spent time with the Lord the previous day preparing for the meeting our precious Lord reminded me that the 6th of October was another special day – the feast of the Tabernacles and for me to minister the word on those lines and dedicate the miracle service in celebrating this. Our precious Lord promised to give us the seven blessings for those who came to celebrate this event. As I was about to ask our wonderful Lord this blessing for my partners, like He read my thoughts, He said our partners, shall receive this blessings as they are a part of this celebration by their prayers and support.

The feast is celebrated for eight days from 6th (Friday) to 14th (Saturday) October. The presence of God was present from the first song. The Holy Spirit changed the songs to be more celebration songs, even the worship. As I began to share the Word of God, I saw a cloud over the congregation and was about to say it, and the Lord said don't distract the people from hearing the Word. He said I have sent a special angel to each one who will protect and help them. It was truly the first time that happened, praise His glorious Name.

Some said they were healed even during the word being preached, I knew it was because of the cloud of His presence. There were five newcomers and they were all born again. I realized it was truly a believer's celebration. One of my Pastor friends, Pastor Christo & wife Maureen from the Four Square Church, were present and said the meeting was awesome and they received healing and were sick for quite sometime from many sicknesses, some could not be detected from tests. God also gave both of them words of confirmation and promised them good health for coming for the celebration. Tears were streaming down their faces as they were being ministered to. He was also after a brief stay in hospital. Pastor Christo also ministered personally to those who came to him and gave them words of encouragement and prophecy.

Tears were streaming down each one's faces as they were being ministered to. The new comers were healed of long standing sicknesses and given prophetic and words of encouragement and confirmation. The joy of the Lord was visible on each face after the service. Everyone was glad they came, for most didn't know about the Lord's feasts and rejoiced to be a part of it. They said that they must spread the good news about the feasts of the Lord. To God alone belongs all glory,

honour and praise for what He is doing through us, you and I. Your prayers and support are going up to heaven as incense. Let's keep up the good work.

Thanks once again for all your love, sacrifice and support for our wonderful Lord. Words are not enough to say thanks!

With our love for you and the lost!
